

親愛的高爾夫球友們:

要成為最好的高爾夫球手不僅需要有熱烈的意願、有紀律的訓練、還要有委身致力於打好高爾夫球的信念。如果您居住在亞洲,上述那些特點其實都是我們固有文化的特質。雖然我們很認真上高爾夫球課,甚至痛下苦工練習打高爾夫球,渴望能達到更高境界,但是很多世界級頂尖的高爾夫球手卻不是出自於中國、台灣、新加坡或其他的亞洲國家,這是為什麼呢? 關鍵答案是: 缺乏與世界級的高爾夫球好手切磋琢磨的機會。

與世界級的好手競爭, 需要有持續的訓練和最好的比賽環境。在亞洲, 高爾夫球仍屬於較新的運動, 所以沒有一個完善成熟的訓練設備, 以供給年輕的高爾夫球手和其他高手較量展現實力的環境。雖然在亞洲不缺乏高爾夫球場與練習場, 可是卻沒有不可替代的讓年輕高爾夫球手巡迴比賽的經驗。

座落在美國佛羅里達州 Orlando 市, Orange County 國家高爾夫球中心的 CORE Golf Junior Academy 高爾夫球學校提供北美最好的高爾夫球訓練及設施場地, 並與最好的青年、大學生以及職業高爾夫球手一齊切磋鍛練。

CORE Golf Junior 學校秉持一個簡單的哲理來辦學: 提供最好的機會及訓練環境來培育年輕的高爾夫球手, 並且相信在逐漸灌輸給學生核心價值、專注、專業的態度以及最重要的世界級的訓練水準等穩固的基礎, 才能達到訓練的目的。

CORE 學校將特別提供學生參與一些頂尖的青年高爾夫球手巡迴比賽, 以利學生取得將來在大學或學院比賽時的經驗及技巧, 甚至晉級參與美國職業高爾夫協會的巡迴比賽。事實上在 CORE 的專職人員均是目前和很多頂尖美國職業高爾夫協會的專業高手共事者。

CORE 學校有正式的教育, 學校基本的目標之一是讓學生能準備當大學的高爾夫球手, 而要達到此夢想, 學生就同時要擁有高中學歷及很好的高爾夫球比賽成績。

CORE 學校很榮幸有 Windermere Preparatory School 當我們的教育夥伴。緊臨著我們高爾夫球學校的 Windermere Preparatory School 是備受好評的 Meritas International Family of Schools 的一部份。

CORE 學校管理主任 Jeff Hay 曾說: 一個優質的教育對我們高爾夫球學生的家長來說是非常重要的, 因考慮到 Windermere Preparatory 學校及 Meritas 有著卓越的聲譽, 所以他們被選為我們教育的夥伴。

Windermere 校園與 CORE 的高爾夫球教育及競賽安排, 均如同大學的高爾夫球手的生活型態, 此可讓學生準備將來當個學生運動員。當學生要在美國上大學時, 我們也可幫忙您申請適合您的大學。

若您冀望能發揮您的高爾夫球技能, 而且您也準備好接受有紀律且精緻的訓練, 那就讓 CORE 高爾夫球學校來幫忙您開啟並充分發揮高爾夫球的潛能。

Dear Golf Friends,

To be the best in golf requires desire, discipline and dedication. If you live in Asia, you know that these are traits that are innate in our culture. We work hard, we aspire to reach higher plateaus, and we give 120% on practice ranges and on golf courses. So why aren't there many world ranked golf professionals from China, Taiwan, Singapore, and other Asian countries? The answer is in the key missing ingredient: the opportunity to be immersed with the best.

To compete with the best in the world requires constant training and competing in the environment that will be the ultimate battle field. Golf, in Asia, is still a relatively young sport. We don't have a matured training infrastructure to provide our young golfers the environment to test their strength with other top young golfers. While there is no shortage of golf ranges and courses in Asia, there is no substitute for competitive experiences on junior golf circuits.

Core Golf Junior Academy began with a simple philosophy—to provide the best opportunity and best training environment to nurture young golfers. Core Golf Junior Academy believes in the holistic approach to training—to instill a solid foundation of core values, focus, professional attitude and of course, world-class training.

My name is Ijen Huang. As the Director of Recruitment for Asia, I am committed to assisting students to come to the Core Golf Junior Academy, and start the journey of excellence in education and golf training. Let me tell you more about Core Golf Junior Academy.

Students at the academy participate in top junior tournaments to provide them with the experience and skills necessary for university or college play and the world's top tours. In fact, the professional staff at Core Golf is world-class caliber and the team is currently works with a number of top PGA Tour professionals.

Core Golf is unequivocal in its commitment to formal education, as part of the overall development of young men and women. One of the primary goals of the Core Golf is to

prepare students for college golf. To make that dream a reality, a student must achieve excellence as a high school student as well as a tournament golfer.

Core Golf is proud that Windermere Preparatory School is our exclusive education partner. Located just minutes away from our golf academy, Windermere is part of the acclaimed Meritas International Family of Schools.

“A quality education is extremely important to the parents of our golf students, and considering the reputation for excellence shared by Windermere Prep and Meritas, they were the obvious choice as our academic education partner,” said Jeff Hay, Director of Operations for Core Golf Junior Academy.

The Windermere campus and Core Golf’s instruction/tournament schedule simulates the lifestyle of a college golfer, which prepares our players for their futures as student athletes. When the student is ready for college education in the United States, we can help you with the application too through our company College Golf Connect, a company dedicated to connecting you with the university that is right for you.

If you have the desire to reach your optimum golf ability, and you are ready to commit to a disciplined and dedicated training program, let us help you unlock your potential at the Core Golf Junior Academy.
